Dear friend and community member,

We are excited to share that we are fundraising this winter to help reach our strategic goals for the upcoming year. Mt. Lawn Cemetery is moving forward with a bold vision for our mission of service to our community and the memory of their loved ones.

Our organization's legacy is one of family, fellowship, and perseverance. As we move into the new year, we seek to grow that legacy. Your donation will help us accomplish both long- and short-term goals to include:

- Fence installations
- Acquiring ground penetrating radar equipment to locate any unmarked graves
- Raising awareness of Mt. Lawn Cemetery's historical significance

Another project this funding will support is the paving of roads on the property. The estimated cost of this project alone is between \$38,000.00 and \$48,000.00. We are dedicated to this goal and hope to raise enough funds to complete the paving (weather permitting) before our upcoming Memorial Day 2022 celebration.

- *Gifts of \$1,000.00 or more*
Contributors will receive special Memorial Day 2022 recognition, public mention in the year's upcoming annual reporting and invitations for up to 2 guests total to any upcoming Mt. Lawn Assoc. special events.
- *Gifts of \$5,000.00 or more*
Contributors will receive special Memorial Day 2022 recognition, public mention in the year's upcoming annual reporting, and invitations for up to 4 guests total to any upcoming Mt. Lawn Assoc. special events.

We kindly ask that donations be in the form of a money order or check made payable to Mt. Lawn Cemetery Association. All amounts are appreciated, and a self-addressed stamped envelope is included for your convenience. Thank you for helping us work towards expanding our services and resources. We look forward to your support and our continued partnership.

Wishing you a blessed and abundant winter season,

Mt. Lawn Cemetery Association
